***DINAMIC CALCULATION**

On same day executions, with the Dynamic fee schedule, the single commission is reduced of one euro until the 6th trade (starting from € 8.00 or € 9.00 down to € 3.00 or € 4.00, depending on the market or security), does not change from the 6th until the 25th trade (€ 3.00 or € 4.00), is reduced of one euro from the 26th to the 50th (€ 2.00 or € 3.00), then decreases to a minimum (€ 1.50 or € 2.50 respectively) from the 51st and until the end of the trading day.

NB: Possible addition of 1 €/€ for certain titles of MOT, FTSE MIB, FDAX and CME.

Example: Buy 100 Fca -> € 8.00 € (first trade of the day) Sell 100 Fca -> € 7.00 (second trade of the day) (6 - 5 - 4 -etc ...) after the 5th trade of the day you pay € 3, after the 25th you pay €2 and after the 50th € 1.50 until day end.

Easy commission executions are excluded from the dynamic commission calculation.
